

Multi-reference pallet service

Offer your customers more –
reduced Minimum Order Quantities on digital sheet products!

Have you ever wanted to stock and supply a wider range of products including specialties, but the minimum order quantities have held you back? To give you better access to specialty markets and new business, we've reduced our Minimum Order Quantities on selected sheet products to just 1000 sheets.

The MULTI-REFERENCE PALLET SERVICE allows you to combine **from 2 to 6 different products in 32x45 cm size** on a single **pallet of 6000 sheets**. The minimum quantity for each product is 1000 sheets.

Due to the success of this service, we have extended this offer to all products in our Digital range, in boxes of 250 and 100 sheets. See overleaf for the full product list!

- Low minimum order quantities – just 1000 sheets per product
- Access specialty markets and improve your market image with a wider portfolio
- Reduce stocks and have less capital tied up in slow-rotation products

Pallet label layouts on all UPM Raflatac orders will be changed, without any significant content modification.
