

Extended Digital Range

As a reference supplier for digital self-adhesive sheets, UPM Raflatac continually develops products to deliver an extensive choice and meet the latest market needs. We continue this commitment with new digital products and product combinations, now launched in SRA3 (32 x 45 cm) size.

- Jetlaser Multitac — multilayer construction
- Naturl HS PCW100-FSC — white, uncoated paper made from 100 % recycled fibres
- Fluor HS-FSC — in Green, Lemon, Orange, Red and Pink
- Coloured Vellum HS-FSC — in Blue, Green, Yellow and Red
- Lasersilk HS-FSC (permanent and removable adhesive) and Lasergloss HS-FSC (removable adhesive) — with a solid backing
- Polylaser Gloss White — with a scored backing

Combination	Sales code	Sheets (Box 250)	Sheets (Box 100)	MOQ (Sheets)	Sheet EAN code			
					Solid, unprinted backing (W0)	Solid, printed backing (W1)	Scored, unprinted backing (W2)	Scored, printed backing (W3)
